About Janet Blair

People often ask me certain questions, like "How did you get started with this club?" "Is this your full-time job?" "What did you do before this?" As I am scurrying around at our events, ensuring that they go off smoothly, I usually don't have the opportunity to answer these questions thoroughly.

Tonight I will share with you the twists and turns of my life that led me to where I am at today. (I never thought my life would end up anything at all like it has!) We will explore how to look for and see the hidden opportunity in adversity which we often miss when we are experiencing disappointment.

"What we are is God's gift to us. What we become is our gift to God."
-Leo Buscaglia

Also included: A brief Q & A - Everything you wanted to know about Janet Blair but were afraid to ask! Email your questions at info@successfullysingle.org and I will attempt to answer as many of them as possible during this intimate and festive evening.
